

1 Corporate Zone

Offers an overview of the global Aisin Group and its activities in various counties.

2 Theater

A company introduction video can be viewed.

3 History Zone

Showcases the Aisin group's history, growth, and to evolution since the formation of Aisin in 1965, and some of the most memorable products we have developed over the years.

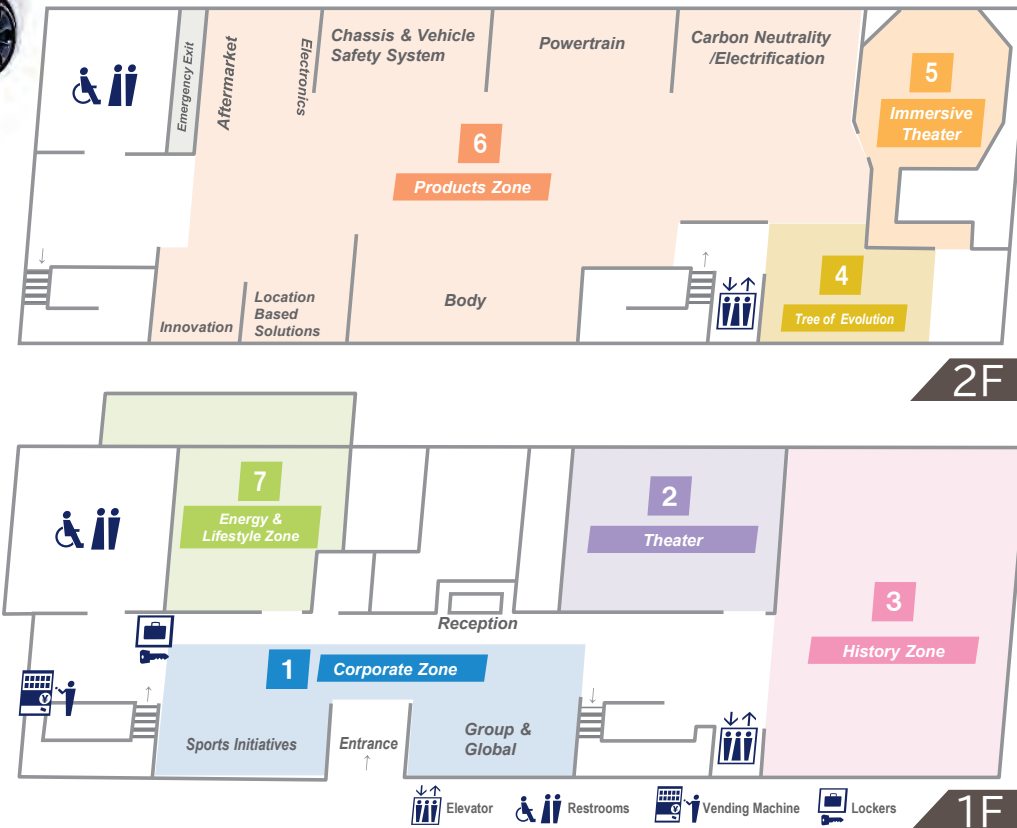

4 Tree of Evolution (Movie)

Introduces how AISIN's long-established technologies are being applied and evolved in society to achieve carbon neutrality.

Floor Map

5 Immersive Theater

In the immersive theater, which has six screens not only in front but also on the left and right sides, you can experience the future envisioned by Aisin with exciting sounds and videos.

6 Products Zone

This zone exhibits Aisin Group products created with the latest state-of-the-art technologies. The mechanisms and features of vehicles and auto parts are presented in an easy-to-understand fashion through cutaway models, moving models, and videos.

7 Energy & Lifestyle Zone

The Aisin Group's energy and lifestyle-related products are introduced in a residential-style space.
